

British Dressage (NW) in partnership with Nantwich Veterinary Group Equine Centre

present

A series of three talks by

Campbell Thompson BVM&S MRCVS,

partner at the Nantwich Vet. Group Equine Centre

and Team Vet at the Sydney Olympics.

@ NANTWICH EQUINE CLINIC, NANTWICH, CW5 6BU

The overall aim of the talks is to assist in understanding the horse's limb anatomy from inside out and how that affects injury and performance!

20TH SEPTEMBER 2010 - CAMPBELL'S FAMOUS LEG DISSECTION

A fascinating insight into the workings of the lower leg and foot

18TH OCTOBER 2010 - COMMON FOOT PROBLEMS

Understand this complex area, to help prevent, career limiting injury

15TH NOVEMBER 2010 - MAJOR PERFORMANCE LIMITERS

Considering the effects of arthritis in various joints and the effects of front and hind suspensory problems

Presentations commence 7.30.p.m.

OPEN TO ALL – TICKETS (PER TALK) IN ADVANCE Members £8.00
