

# CHESHIRE GROUP OF ENDURANCE GB

## Trophy REGISTRATION - 2024

**We can't run our rides without a team of helpers.** There are lots of easy roles from course marking, car parking attendant, time-keeper, road crossing steward to first aider or just an extra pairs of hands. By helping the Ride Organiser you may learn more about how an endurance event works, it's usually a good way to share tips and stories with like-minded people. All CEGB members are asked to help at one ride during the season in order to be eligible to win one of our splendid trophies.

Each rider helper will be credited with 32km distance on their distance record for the season.

**Please choose your help day early in the season to help us plan the season ahead.**

**No help, no trophies!**

Please complete the boxes below with your name and your first and second choices, save this document and send it to [lorna.a.mccarthy@hotmail.com](mailto:lorna.a.mccarthy@hotmail.com)

The Ride Organiser will contact you before the ride.
